

Permitted MAFA Group Activities (updated 9.15.2021)

Meeting weekly, live and in person

Raising money through donations and events to fund lawsuits

Supporting small local businesses through activities like events, buying trips, weekly commitment to purchase goods and services; rewarding businesses that do not promote "COVID nonsense"

Assisting parents in the withdrawal and homeschooling of children

Referring healthcare workers to conference calls, events and activities organized by the MAFA head office

Participating in, but not organizing protests

Prohibited activities: everything not on this list

Note: MAFA does not endorse political candidates, does not host or promote political events and candidates, and seeks to create a welcoming environment for ALL people who advocate for freedom from medical tyranny
